## OUR TERMS

### READ CAREFULLY.

The seeds we offer are tested under our personal supervision before shipment, and every care is taken that none but reliable, fresh and genuine seeds are sent out.

Seeds of the best quality often fail, however, through various causes, improper planting or weather conditions; therefore we, **The Barteldes Seed Co.**, give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter, of any seeds, bulbs or plants we send out, and we will not in any way be responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.

All Grass, Field and Tree Seeds, Potatoes, and Onion Sets we will sell for cash only, no discounts. **Bills of Garden Seeds**, amounting to \$25.00 or more, are sold on terms of 60 days. Overdue accounts are subject to **sight draft** with exchange, without notice. Of new customers we require cash or satisfactory references. These prices are not for less than one-half pound of Garden Seed or five pounds of Peas, Beans or Sweet Corn, and are subject to variation without notice.

These prices do not include charges for bags, baskets and barrels, which are extra.

---

Of Garden Seeds we sell 10 lbs. or more at 100 lbs. quotation.

---

We send out no seeds on commission.

### Wholesale Catalog

#### To the Trade:

Dear Sir:

It is with much pleasure that we send you this Wholesale Catalog and Price list of the Fiftieth Year of our business. The past half century has seen our business grow from a little retail seed shop to one of the largest seed establishments of the country.

We have never in the history of our business seen a year of so many shortages as appear this year. The crops of Beans, Peas and Sweet Corn in this country were very short, there are many short crops in Europe, European countries have made embargoes prohibiting the export of some seeds, and added to this is the very slow service in letters, cables and freight shipments.

There is sure to be a marked shortage of many garden seeds before the season is over, and we therefore earnestly request that you anticipate your needs and send us your orders just as early as possible. We make a specialty of these fill-in orders and will fill them immediately, provided our stocks are not exhausted. Small lots can be sent very cheaply by parcels post.

We always maintain the high quality of our seeds and our large stocks enable us to make low prices. There is always a demand for Barteldes Seeds and the quality of these will please your customers.

If you do not have a copy of our General Catalog please write us and we will send you one promptly. We solicit your correspondence and hope you will remember us when you need seeds of any kind.

Very truly yours,

THE BARTELDES SEED CO.

The crops of beans, while not quite as short as last season, are again very, very short. We placed our contracts in many widely separated parts of the country but the returns were uniformly poor.

We are dividing our crops equally among our customers and are offering what few beans are left us together with what we can pick up from other growers and gardeners.
